

COMMUNITY COLLEGE OF DENVER

Addendum to the 2012-2013 Online and Printed Catalogs

This addendum is an integral part of the college's 2012-2013 Academic Catalog; the purpose of this document is to amend current information or include additional information. The information published herein is effective the 2012-2013 school-year. If any of these changes impact a student's ability to graduate, please contact the dean for your area. All changes are shaded gray.

Student Bill of Rights

23-1-125. COMMISSION DIRECTIVE — STUDENT BILL OF RIGHTS

The Colorado General Assembly hereby finds that students enrolled in public institutions of higher education shall have the following rights:

- (a) Students should be able to complete their Associate of Arts and Associate of Science degree programs in no more than sixty credit hours or their baccalaureate programs in no more than one hundred twenty credit hours unless there are additional degree requirements recognized by the commission;
- (b) A student can sign a two-year or four-year graduation agreement that formalizes a plan for that student to obtain a degree in two or four years, unless there are additional degree requirements recognized by the commission;
- (c) Students have a right to clear and concise information concerning which courses must be completed successfully to complete their degrees;
- (d) Students have a right to know which courses are transferable among the state public two-year and four-year institutions of higher education;
- (e) Students, upon completion of core general education courses, regardless of the delivery method, should have those courses satisfy the core course requirements of all Colorado public institutions of higher education;
- (f) Students have a right to know if courses from one or more public higher education institutions satisfy the students' degree requirements;
- (g) A student's credit for the completion of the core requirements and core courses shall not expire for ten years from the date of initial enrollment and shall be transferrable.

NEW Statewide Transfer Degree Programs

Community College of Denver students who follow the prescribed program in the following areas will be able to transfer their degrees and enroll as juniors in any Colorado public four-year program: Anthropology, Business, Economics, Engineering, French, History, Mathematics, Political Science, Psychology (both AA and AS), Sociology, and Spanish. All courses must be completed with a grade of C or better. Course substitutions are not permitted with any Statewide Transfer Degree Plan.

ANTHROPOLOGY ASSOCIATE OF ARTS DEGREE PLAN

Required Courses That Fulfill General Education Requirements	33
Communication	6
ENG 121 English Composition I:	GT-CO1
ENG 122 English Composition II:	GT-CO2
or	
ENG 122 English Composition II	GT-CO2

Six credits determined by the transferring institution. Please see an Educational Case Manager for more information.	
Total	60

SPANISH ASSOCIATE OF ARTS DEGREE PLAN

All degree plans require a minimum of 60 credit hours to complete. The total number of elective credits for this degree plan is 13.

ASSOCIATE OF SCIENCE PRE-ENGINEERING PLAN OF STUDY

ECO 201 - Principles of Macroeconomics is a GT-SS1 course.

ASSOCIATE OF APPLIED SCIENCE BUSINESS TECHNOLOGY

MEDICAL ADMINISTRATIVE ASSISTANT AAS DEGREE

A total of 60 credits are required for an AAS degree. In error, the 2012-13 catalog lists the total credits for this program as 60 when the listed courses only equal 59 credits. It is recommended that students in this program complete BTE 111 to satisfy the requirements of this program.

CERTIFICATE IN COMPUTED TOMOGRAPHY

The total credits for this certificate should be 6-11.

MECHANICAL DRAFTER AAS DEGREE

CAD 255 - Solidworks/Mechanical is a 3 credit course.

CERTIFICATE IN PRACTICAL NURSING (PN)

CERTIFICATE IN PRACTICAL NURSING FULL TIME COURSE SEQUENCE

Semester 3 subtotal should be 16.

The Minimum Total includes 8 credits of general education courses and equals 49 total credits.

CERTIFICATE IN PRACTICAL NURSING PART TIME COURSE SEQUENCE

The Total includes 8 credits of general education courses and equals 49 total credits.

ASSOCIATE OF GENERAL STUDIES DEGREE, GENERALIST

AGS LIBERAL ARTS CORE

23-26 elective credits are needed to reach at least 60 credits.

Course Corrections

Note: Students who have taken prerequisite courses longer than seven (7) years ago are strongly encouraged to take an assessment test over the prerequisite material to ensure adequate prior knowledge to be successful in future courses. The outcome of the assessment test will help the student determine whether or not he or she needs to re-take the prerequisite course. The assessment test is available in the CCD Testing Center.

For Health Science degrees, because of program accreditation requirements, students must have completed all science courses within the previous seven (7) years before the first day of class in a health program.

CSC — COMPUTER SCIENCE COURSES

CSC 160 Computer Science I: (Language)

There is no longer a specific program language designated for this course.

SPA — SPANISH COURSES

SPA 211 Spanish Language III: GT-AH4

Prerequisite: SPA 112 or SPA 114 with a grade of C or better or instructor consent.

New Courses — Beginning Fall 2012

ART — ART

ART 161 Ceramics, 3 credit hours

Prerequisite: Instructor consent.

Introduces traditional and contemporary ceramic forms and processes including hand building and throwing on the potter's wheel.

ART 175 Special Topics, 0-12 credit hours

Provides students with a vehicle to pursue in-depth exploration of special topics of interest.

ART 207 Art History 1900 to Present: GT-AH1, 3 credit hours

Prerequisite: ART 112 with a grade of C or better.

Provides students with the knowledge base to understand the visual arts as related to Modern and Contemporary visual art. Surveys world art of the twentieth century, including Modernism to Post-Modernism. This course is one of the Statewide Guaranteed Transfer courses. GT-AH1

CHW — COMMUNITY HEALTH WORKER COURSES

CHW 138 Patient Navigation, 3 credit hours

Prerequisite: ENG 060 with a grade of C or better.

Enables students to develop skills necessary to effectively communicate and build relationships with patients, locate health resources, solve problems, and manage information and records.

ENV — ENVIRONMENTAL SCIENCE COURSES

ENV 101 Environmental Science I: GT-SC1, 4 credit hours

Prerequisite: Grade of C or better in ENG 090, REA 090, and MAT 060, or English assessment score of 95 or better, Reading assessment score of 80 or better, Math assessment score of 57 or better, or equivalent ACT/SAT scores.

Provides an introduction to the basic concepts of ecology and the relationship between environmental problems and biological systems. Includes interdisciplinary discussions on biology, chemistry, geology, energy, natural resources, pollution, and environmental protection. Using a holistic approach, students will study how the foundations of natural sciences interconnect with the environment. This course includes laboratory experience. This course is one of the Statewide Guaranteed Transfer courses. GT-SC1

NOTE: This course is now one of the ASSOCIATE OF GENERAL STUDIES, GENERALIST, Natural and Physical Sciences options.

NOTE: This course is now one of the elective options available for the following programs:

ASSOCIATE OF ARTS DEGREE PLAN

ASSOCIATE OF SCIENCE DEGREE PLAN

MATHEMATICS ASSOCIATE OF SCIENCE DEGREE PLAN

PSYCHOLOGY ASSOCIATE OF SCIENCE DEGREE PLAN

SPA — SPANISH LANGUAGE

SPA 114 Fast-Track Spanish I & II, 0-12 credit hours

Prerequisite: Spanish placement test with a score of 282 or better, and ENG 090 and REA 090 with a C or better, or English assessment test with a score of 95 or better, or equivalent SAT/ACT scores.

Designed to bridge beginning SPA courses with Intermediate SPA courses. It is designed for students who have studied two years of the target language in high school and possess linguistic and cultural knowledge that true beginners do not, but are not ready yet to move to the intermediate level because they need an in-depth review of essential structures.
