

RADIOLOGIC TECHNOLOGY PROGRAM

COMMUNITY COLLEGE OF DENVER

PROGRAM INFORMATION AND APPLICATION PROCESS

REVISED NOVEMBER 2023

CCD RTE FACULTY AND STAFF

- Anne Earhart, R.T. (R)(ARRT)

RTE Faculty, Clinical Coordinator

Anne.Earhart@ccd.edu

303.365.8375

- Teri Huggins, B.A., R.T. (R)(CT)(MR)(ARRT)

RTE Faculty, Computed Tomography and Magnetic Resonance Program Coordinator

Teri.Huggins@ccd.edu

303.365.8341

RADIOLOGIC TECHNOLOGY

WHAT IS A RADIOLOGIC TECHNOLOGIST?

- A healthcare professional who uses specialized equipment to create diagnostic quality images that help doctors diagnose and treat diseases and injuries.
- Radiologic Technologists make up the 3rd largest group of health care professionals – surpassed in number by only physicians and nurses.

WHAT SKILLS ARE NECESSARY TO BE A SUCCESSFUL RADIOLOGIC TECHNOLOGIST?

- Excellent communication skills
- Thorough patient care skills
- Knowledge of human anatomy and physiology
- Basic physics
- Radiographic positioning
- Ability to work independently *and* as part of a team

EMPLOYMENT OPPORTUNITIES

- Technologists work in a wide variety of settings including:
 - Hospitals
 - Clinics
 - Surgery centers
 - Mobile units
 - Travel assignments
- Shifts that are available to technologists include days, nights, weekends, part time, and full time – lots of flexibility!

SALARY

- From the American Society of Radiologic Technologists: [ASRT](#)
 - National median annual salary for a full time technologist as of 2022 was reported to be \$65,246.
- From the Bureau of Labor Statistics: [U.S. Bureau fo Labor Statistics](#)
 - Projected growth in Colorado is 25% through 2028
 - Average salary for a full time technologist ranges from \$60,000-\$70,000* (as of May 2022)
**this statistic on bls.gov includes CT techs*
- See additional salary information specific to Colorado [HERE](#)

CCD

WHY CCD?

- Longest running Radiologic Technology program in Colorado
- Joint Review Committee on Education in Radiologic Technology (JRCERT) accredited
[JRCERT](#)
- High success rates
 - 100% job placement rates since 2016
 - >90% ARRT exam pass rates
 - >95% program completion rates
- Affordable community college tuition
 - In state tuition, with Colorado Opportunity Fund (COF), averages ~\$13,000-\$15,000 for the entire 5-semester program [CCD Tuition and Fees Chart](#)

WHAT WE OFFER

- 2 working x-ray rooms – CR and DR systems
- C-arm and portable imaging equipment
- Skills lab equipped with hospital beds, stretchers, wheelchairs, and patient monitoring equipment
- Real bone, posable, full size phantoms to practice positioning and imaging
- Anatmage table 3-D cadaver table
- Dedicated clinical instructors employed by CCD for clinical internship education and oversight

CLINICAL SITES

- Our clinical affiliates include:
 - The Children's Hospital – Anschutz, North, and South campuses
 - The Medical Center of Aurora
 - North Suburban Medical Center
 - Presbyterian St. Luke's Medical Center
 - Sky Ridge Medical Center
 - AdventHealth Avista Hospital
 - Denver Health Medical Center
 - Swedish Medical Center
 - AdventHealth Porter Hospital
 - National Jewish Hospital
 - Kaiser Permanente – multiple locations
 - Health Images – multiple locations

PROGRAM OVERVIEW AND APPLICATION

CCD RTE MISSION STATEMENT

- The mission of the Radiologic Sciences Program at Community College of Denver is to provide the healthcare community with ethical, competent, and professional radiographers.
- This program is guided by four goals:
 1. **Clinical competence** in radiographic positioning and technical factor selection
 2. **Critical thinking** - problem solving
 3. **Communication** - both verbal and written
 4. **Professional behavior** - demonstrated through work habits, taking initiative, responding to constructive feedback, and supporting the needs of the department

PROGRAM OVERVIEW

- 5 semester (22-month) program – August start and May graduation
- Rigorous program
 - 93-100% = A
 - 85-92% = B
 - 75-84% = C
 - Below 75% = Failing
- Full time program
 - Courses are held in person on the Lowry Campus (*Scheduled to move to Auraria Campus January of 2027*)
 - Clinical internships are completed at assigned clinical sites
 - Students are in class and/or clinical internship 4 days per week each semester

COURSE OVERVIEW

- First semester (classes Tu/Th, clinicals M/W):
 - Patient Care
 - Radiographic Procedures I w/lab
 - Imaging Equipment and Evaluation I w/lab
 - Clinical Internship I
- Second semester (classes Tu/Th, clinicals M/W):
 - Pathology I
 - Radiographic Procedures II w/lab
 - Imaging Equipment and Evaluation II w/lab
 - Clinical Internship II
- Third semester (clinicals M-Th):
 - Clinical Internship III
- Fourth semester (classes W, clinicals Tu, Th, F):
 - Radiation Biology and Protection
 - Radiographic Procedures III w/lab
 - Clinical Internship IV
- Fifth semester (classes W, clinicals Tu, Th, F):
 - Pathology II
 - Radiographic Capstone
 - Clinical Internship V

GENERAL PROGRAM REQUIREMENTS

- Applicants must be 18 years old at the time of program start
- Minimum 2.8 cumulative GPA for general prerequisite courses
- Minimum 3.0 cumulative GPA for science courses (BIO 2101 and BIO 2102)
- Prerequisites can be “in progress” during the application cycle, as long as they are completed by the end of Spring semester prior to program start

PREREQUISITES

- MAT 1340 College Algebra
 - *Must have been taken within 10 years of program start*
- ENG 1021 **or** ENG 1031
- PSY 1001, PSY 2440, **or** SOC 1001
- BIO 2101 **and** BIO 2102
 - *Must have been taken within 7 years of program start*
- RTE 1001
 - *Can be taken after acceptance into the program*
 - *If taken through CCD additional points earned toward application scoring process*
 - *Taking this course at CCD does NOT guarantee admission in to the CCD RTE program*
- *Recommended, not required* PHY 1105
 - **this applies to the application cycle from Dec. 1, 2023 – Feb. 15, 2023 only*

APPLYING TO THE PROGRAM

Step 4. Complete the Application

[APPLY HERE](#)

Application is only available from December 1 through February 15 each year.

APPLICATION STEPS

- Enroll in CCD
- Send official transcripts to CCDs Office of Registration and Records
- Compile all documents necessary for program application
 - Include unofficial transcripts in your application, even if the classes were taken at CCD
 - Resume and cover letter
 - Job shadowing
 - Essay questions
- Apply online at [RTE Program Application](#)
 - Applications are open from December 1st – February 15th each year

OFFICIAL AND UNOFFICIAL TRANSCRIPTS

- You must have **official** transcripts sent from any qualifying institution outside of CCD to the [Office of Registration and Records](#) when you apply to CCD
- Even if you took all your prerequisite courses through CCD, include **unofficial** transcripts in your application to the RTE program
 - **This does not replace the transfer of official transcripts to the college – you must do both*
- If you have prerequisite courses in progress, include a copy of your current course schedule that shows your classes as “in progress” in your application
- CCD will not translate international transcripts. If you have international transcripts, please visit [NACES.org](#)

RESUME AND COVER LETTER

- Resumes should include any job experience you have had in the last 7 years
- If you have been a full time student and have not been employed, please include any extracurricular activities, volunteer organizations, or college related organizations with which you have been involved
- Include the date you attended an information and advising session in your cover letter
- For resume tips, visit [CCD Resume Help](#)

JOB SHADOWING

- Job shadowing is an important experience that allows you to make sure this is the field for you!
- We encourage 12 hours of documented job shadowing as a component of our program application - you can find the documentation form [HERE](#)
- If you are unable to find appropriate job shadowing opportunities, please watch the videos found [HERE](#) and use this information as the basis for your job shadowing essay

TIPS FOR JOB SHADOWING

- Ask someone you know who works in healthcare if they have a suggestion on who you can contact
- Contact Human Resources or the Volunteer Office at local hospitals and ask if they can help you arrange job shadowing
- If you have scheduled job shadowing: be on time, observe appropriately, and ask professional questions of the technologists
- Take the job shadow form with you to have signed for each job shadow shift you complete
- **Make copies of these forms for your records**

ESSAYS

- Essays have a word limit of 1000 words each
- Prompt 1:
 - Reflecting on your personal experience and impressions after job shadowing, what did you see or experience regarding the actual work of a Radiologic Technologist that attracts you to this profession? Draw on your experiences during job shadowing or what you learned watching the job shadowing alternative videos.
- Prompt 2:
 - What skills or personality traits do you possess, relating to your experience and information learned during your job shadow experience, that speaks to how Radiology Technology and specifically admission into the program at Community College of Denver could be a future profession for you? Specifically, discuss what personal traits you possess that make Radiology Technology a good fit for you as a career. Discuss why CCD is the best option for you to start your Radiologic Technology career.

STRUCTURED LETTERS OF REFERENCE

- Download the structured letter of reference form from the CCD RTE website
 - [Structured Reference Form](#)
- Two *professional* references are required
 - From employers, instructors, or other professionals
 - *These are NOT personal references*
- Letters should be in a sealed envelope with the signature of the reference provider across the envelope flap
- **Can be mailed to or dropped off at:**
 - CCD Center for Health and Natural Sciences
 - 1070 Alton Way
 - Denver, CO 80230
 - Attn: Radiologic Technology Program
- Please include the name of the persons who will be submitting references in your application or on your resume

WHAT TO EXPECT AFTER YOU APPLY

WHAT HAPPENS AFTER YOU APPLY

- We will review each application we receive – this program is **not** first come, first serve
- Each *complete* application will be entered into a grading rubric based on 100 possible points
- The first 70 points are calculated as follows:
 - GPA for prerequisite courses = up to 30 points
 - Healthcare and/or customer service experience = up to 15 points
 - Structured reference letters = up to 10 points
 - Job shadowing/essay prompt responses = up to 10 points
 - RTE 1001 taken at CCD = 5 points

INTERVIEWS

- 40-50 of the top scoring candidates will be contacted to schedule an interview in mid to late April
- Interviews take place in late April or early May on Lowry Campus
- Interviews will be with 2-3 RTE program instructors
- Interviews follow their own rubric and have a total of 30 possible points
- Points for interviews are added to the application points for a total of 100 possible points
- *After* the interview process is complete, 5 additional “bonus” points will be added for candidates who have successfully taken and passed PHY 1105*
 - **This applies to the Dec. 1, 2023 – Feb. 15, 2024 application cycle only*

TIPS FOR YOUR INTERVIEW

- Be on time
- Dress professionally
- Demonstrate communication skills through verbal *and* non-verbal communication
- Answer questions thoroughly
- Research the school and explain why CCD is the best program for you

AFTER THE INTERVIEWS

- Program invitations to approximately 28 candidates will be sent out early to mid May
 - A timely response is required to accept your spot in the program
- Up to 5 alternate spots will be offered to prospective students
 - We typically do accept some, if not all, of our alternates by the time the program starts
- Every applicant will receive an email regardless of whether they are invited to interview or into the program
 - General feedback is included in this email – if more personal feedback is requested, we are happy to supply more information

ONCE YOU'VE BEEN ACCEPTED

PROGRAM START

- The program starts in August of the same year as program acceptance
- If not already completed, register for RTE 1001 during the summer semester between acceptance and program start
- Attend a mandatory orientation in late June
 - This is to get the clinical paperwork process started and initiate background checks and drug screening
- Pass a mandatory 10-year background check and drug screen
- *Note: Alternates are asked to go through all of the paperwork process also to ensure readiness to step into a spot in the program if one becomes available*

BACKGROUND CHECK AND DRUG SCREEN INFO

- Background checks and drug screening is not specifically required for CCD, however, all of our clinical affiliates require this process.
- THC will show up on the drug screen – while marijuana is legal in Colorado and some other states, it is not federally legalized. It **will** disqualify you from participation in this program.
- The ARRT has ethical standards and a list of offences that may disqualify you from being eligible to take the national registry exam. The complete list of disqualifying offences can be found [HERE](#).
 - The ARRT offers an ethics review process and can choose to dismiss some past legal situations. You can find more information of the ethics review [HERE](#)
- Background checks and drug screening are required and are at the student's expense.
 - The 2023 price for this process was \$63

DISQUALIFYING OFFENCES

- Any misdemeanor theft crimes in the 5 years immediately preceding the submittal of application.
- Crimes of violence (assault, sexual offenses, arson, kidnapping, any crime against an at-risk adult or juvenile, etc.) as defined in section 18-1.3-406 C.R.S. in the 7 years immediately preceding the submittal of application.
- Any offense involving unlawful sexual behavior in the 7 years immediately preceding the submittal of application.
- Any crime, the underlying basis of which has been found by the court on the record to include an act of domestic violence, as defined in section 18-6-800.3 C.R.S. in 7 years immediately preceding the submittal of application.
- Any crime of elder or child abuse as defined in section 18-6-401 C.R.S. in the 7 years immediately preceding the submittal of application.
- Any crime related to the sale, possession, distribution or transfer of narcotics or controlled substances in the 7 years immediately preceding the submittal of application.
- Any felony theft crimes in the 7 years immediately preceding the submittal of application.
- Any offense of sexual assault on a client by a psychotherapist, as defined in section 18-3-405.5 C.R.S. in the 7 years immediately preceding the submittal of application.
- Crimes of moral turpitude (prostitution, public lewdness/exposure, etc.) in the 7 years immediately preceding the submittal of application.
- More than one (1) D.U.I in the 7 years immediately preceding the submittal of application.
- Any felony homicide conviction (no time limit).
- Registered Sex Offenders (no time limit).
- Listed on the U.S. Treasury, Office of Foreign Assets Control (OFAC) or Specially Designated National (SDN).
- Listed on Health and Human Services/Office of Inspector General List of Excluded Individuals/Entities or the GSA List of Parties Excluded from Federal Programs.
- Any offense in another state, the elements of which are substantially similar to the elements of any of the above offenses.
- If the investigation reveals information that could be relevant to the application, the designated individual responsible for background checks may request additional information from the applicant. The offense shall be reviewed on a case-by-case basis.
- Students who have successfully completed the terms of a deferred adjudication agreement will not be disqualified.
- If any applicant feels the criminal background check is inaccurate, they may appeal the decision and request a review with the specific community college applied at. It is the applicant's burden to produce substantial evidence that proves the crimes charged are incorrect.

DEGREE AWARD AND CERTIFICATION

- You will graduate from this program with an Associate of Applied Sciences degree in Radiologic Technology
- Upon completion, you will be eligible to take the ARRT certification exam
 - 200 question professionally proctored exam
- Upon passing the ARRT certification exam, you will be a Registered Radiologic Technologist
- For more information, check out [ARRT.org](https://www.arrt.org)

POST PRIMARY CERTIFICATIONS

- Computed Tomography (CT)
 - Offered at CCD
- Magnetic Resonance (MR)
 - Offered at CCD
- Mammography
 - Offered at CCD
- Bone Densitometry
- Breast Sonography
- Vascular and Cardiac Interventional Radiography
- Visit the [ARRT](#) for more credentialing options
